

Chuck Ruys, Commercial Agent

CIC

Chuck is a Commercial Property and Casualty Producer. In addition to writing new accounts, Chuck also services a sizable book of renewal accounts.

Chuck worked as a Property Underwriter with Wausau Insurance from 1978 until 1981 when he then joined McClone Insurance Group.

Chuck received his CIC (Certifies Insurance Counselor) designation in 1985 from the Society of Insurance Counselors. He also attends various insurance and marketing seminars throughout the year to remain current with ongoing insurance marketplace changes. He specifically enjoys working in property and workers compensation areas.

As an insurance professional, Chuck's goal with each and every client is to develop an insurance program that matches the risk tolerance of that client with the most competitive insurance product available, and that all pertinent insurance issues are addressed and discussed.
