

Are You or a Loved One Experiencing Medicare Overload?

Join us as our team of experts help you sort through all the information about Medicare that may be causing confusion, stress and worry. We will educate you in how to identify the Medicare options that meet your or your loved ones personal care needs and lifestyle.

Topics Include:

- The benefits of Medicare and how it works
- How Medicare Advantage, Medicare Supplement and Part D Prescription Drug plans complement Medicare.

In the end, you will gain a clear understanding of Medicare and the health plan options that are available - giving you the confidence necessary to make the right choices for you or your loved one.
